

**Make a Donation to
Support Minnesota Head Start Association**

In the fifty years since its inception, Head Start has given more than 31 million children an opportunity for success in school and in life throughout the USA!

May 18, 1965 was a turning point in the history of the United States...

It was a sunny, 70 degree Tuesday in the Rose Garden of the White House. President Lyndon Johnson announced Project Head Start and gave Sargent Shriver the go-ahead to enroll 100,000 children in the first Head Start programs.

No one really understood just how powerful the need for Head Start would be!

By June, 1965, there were 2,700 Head Start programs and by the end of the summer, 560,000 Head Start children had been enrolled!
