

HEAD START MANAGEMENT POSITION AVAILABLE

NOW HIRING: Education & Disability Services Manager

Responsibilities:

- * Oversees early childhood education, curriculum, mental health and disability services for infants, toddlers and preschool children.
- * Provides leadership and support to Early Childhood Coaches and Education Supervisors, ensuring teaching staff possess exemplary skills and abilities to provide high quality services to children.
- * Ensures teacher qualifications, program goals, staff/child ratios, classroom safety, reporting and practices are met, consistent with Head Start Performance Standards and MN Child Care Licensing.

Qualified applicants: Need to have a bachelor degree in Early Childhood Education or bachelor degree and equivalent coursework in Early Childhood Education with early education teaching experience, as well as three years of progressively responsible experience in the management and administration of a program or business serving the general public, experience in managing, training, and supervising others. Bilingual skills and familiarity with the culture and lifestyle of populations served, i.e.: migrant, seasonal, low-income and at risk families preferred. Full time position with competitive salary and benefits package is located in either Crookston or LeCenter, MN.

Tri-Valley Head Start provides high quality Head Start, Early Head Start & Migrant and Seasonal Head Start services to pregnant women, infants, toddlers and preschool children and families in 16 centers located throughout Minnesota and North Dakota.
